FAQ

13

01. Do you Travel?

Yes, we provide on-location services throughout Massachusetts and New England. Travel fees may apply depending on your location.

02. Do you offer makeup trials?

Absolutely! Bridal previews are highly recommended and are the perfect opportunity to collaborate on your wedding day look. For special events, preview appointments are also available upon request. All makeup trials are an additional fee.

03. Do you require a retainer to reserve my date?

Yes! A signed contract and a non-refundable 20% retainer are required to officially reserve your appointment. Because we accept a limited number of bookings, your date is not secured until both have been received.

04. Can you accommodate large groups?

Yes! Whether it's a bridal party, family, or group of friends getting ready together, we can accommodate larger bookings by bringing additional artists for a fee, when needed.

05. How far in advance should I book?

Wedding dates often book several months—and sometimes over a year—in advance. We recommend reaching out as soon as you have your date secured. For special events, booking a few weeks ahead is encouraged whenever possible.

Your Moment Starts Here

Beautiful makeup is just the beginning.

Whether you're walking down the aisle, heading to a special event, or celebrating life's big moments, we're here to create a look that feels effortless, photographs beautifully, and still looks like you.

Relaxed vibes. Glowing skin. Timeless makeup.
